

## OLEARNING

OSCAR OLearning can help you grow

### How OSCAR Care Group can help you grow!

#### Further your education & excel in your career.

OSCAR Care Group's online training courses are designed to assist you & your staff acquire the **skills and knowledge** needed to put your best foot forward and excel in your career.

OSCAR Care Group's online courses for **organisations and individuals** are designed for people working in **Aged care, Childcare, Allied health & Hospitality**.

OSCAR Care Group will work with you to create a **Learning Plan** that suits your needs.

The learning platform consists of **over 60 online courses** available, including:

- Allied Health
- Food Safety
- Workplace Health & Safety
- Nutrition
- Hygiene
- Food Service

✓ **Work at your own pace**

✓ **Complete courses to receive certificates**

#### OSCAR Care Group OLearning benefits:

- Online learning platform – Deliver training anytime, anywhere with our easy to use learning management system
- Compliance training courses – Ideal for reminding staff of their legal obligations and on-boarding new team members.
- Training videos – Practical 'how to' micro training videos
- Develop skills – Focus on developing skills and knowledge that directly aligns with the needs of your business.
- Nationally recognised qualifications – Provide nationally recognised qualifications, ranging from entry-level certificate through to nationally accredited courses with a structured skills-development career pathway for your employees.
