MONDAY 17TH SEPTEMBER 2018

Due to the random uncertainty surrounding the current sabotage issues with Strawberries escalating and subsequent discussions with our suppliers, SAJ Fruit Supply Pty Ltd will not be supplying Strawberries until further notice, effective immediately.

This decision has been made in conjunction with discussion with all key representatives and management personnel governing each site.

We believe this decision is in the best interest of 100% safety and will provide updates when more information comes to hand.
