How can OSCAR Care Group's Buying Group work for you?

How does it work?

- When buying goods and services there are some key ways to get a better price: you can buy large quantities, and you can lock in deals for repeat business.
- Many organisations can't achieve this by themselves, which is where OSCAR Care Group's Buying Group can help.
- OSCAR Care Group's Buying Group has the buying power with many suppliers, which means members will save time & money.

How much can you save?

Contact us and we can start saving you money now!

On top of the savings from our buying power, we will save you time by handling the supplier process, product reviews for all products, & supplier liaison.

How are contracts managed?

All supplier agreements are governed under OSCAR Care Group's Buying Group framework which includes category-specific Quality Standards.

We can tailor-make dedicated solutions for small, medium and large groups.

Already have an account?

If you already have an account with our suppliers you can still become a member & receive OSCAR Care Group's Buying Group pricing. Any organisation in Australia can apply to become a member.
