

Celebrate Aunt & Uncle Day on July 26!

Aunt and Uncle Day is, as the name suggests, a day to celebrate a special set of relatives – your Aunts and Uncles!

The amount of aunts and uncles you have will vary from family to family. However, they often play a crucial role throughout your life; taking you to fun places, babysitting you when your parents are out, buying you birthday and Christmas presents and giving you important advice and support when you need it most.

Encourage the children in your care to celebrate Aunt & Uncle Day by:

1. Talking about how many Aunts and Uncles they have & their names
2. Sharing their favourite memories of time with Aunts and Uncles
3. Creating a family tree – use our template below!
